THE MOD BROKER REWARDS PROGRAM

BROKER REWARDS PROGRAM

This is the easiest money you will ever make.
No Sweat. No Effort. No time spent.

INTRODUCTION

What is MOD ?

MOD stands for Maid-on-Demand, a brand of cleaning service that aims to make every home clean and cozy for the modern Filipino family. Its platform is housed in the www.modworkforce.com website.

What is the Broker Rewards Program?

This rewards program gives Brokers a 5% share in all MOD earnings in exchange for successful referrals. This income share is perpetual because a Broker gains lifetime ownership of his successfully referred MOD client. As such, the Broker is entitled to earn a 5% passive income from his referral's payments, perpetually. It doesn't matter if the Broker is no longer in contact with her client, as long as that client is tagged under him, he will receive 5% earnings every time that client avails of a MOD service. This is true Passive Income that requires no investment, no effort and no time spent.

HOW TO JOIN?

Be a licensed broker

You have to be a legitimate broker with a client list and you have to be handling several condominiums.

Send your bio data and government-issued ID

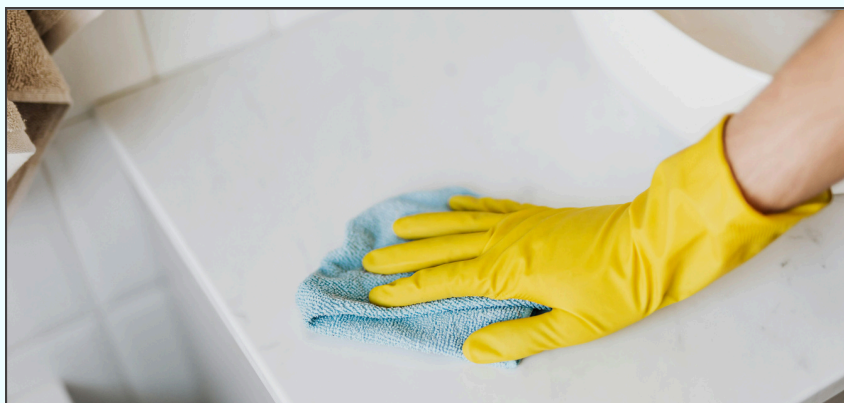

This is part of our Know-Your-Broker protocol. We have to make sure you are a legit broker.

Tagging & Referring

You will be assigned an agent code and oriented on the standard referral process. Once you are familiar with it, you can start referring and earning in your sleep !
